Subject: FW: Easington Parish Council - Parish Meeting 11 May 2021

Friends of Easington CE Primary Academy

Thank you for the opportunity to update the Parish on the progress our small charity has made during the last year.

Despite us being unable to host any events, or even attend the school for meetings, we have continued to be as active as possible.

We applied for and secure £2,000 from Tesco. This money was spent on outdoor reading and writing sheds, multiple science based classroom resources and a number of maths resources (all selected by the school).

As always we purchased Easter Eggs for all pupils and these were handed out despite the school being closed.

We are unsure when the school will be comfortable with us hosting events within the building again, but please be aware that we are here and raring to support our precious village school.

Kindest regards

FOS Team
Kathryn (chair), Claire, Kerry and Amber.
