

Report.

Friends of School are still in operation, however have not really started any fund raising activities within the community due to continuing covid restrictions within school.

Our greatest wish would be for the local community to support the village school in terms of pupils and look at how many positive changes have taken place, rather than judging the school on its past history. The new Head of school, Mrs Leighton would be happy to meet with anyone in the community and discuss it's future plans/development.

In the meantime we continue to apply for grants, purchase resources for all of the pupils and try to help promote the school within our community.

We thank all our local supporters (large or small) and guarantee your involvement makes a huge difference.

Next year we hope to have more to report.

Thank you for listening

Kathryn Rogers, Chairperson for Easington CE Primary Academy
