EASINGTON CE PRIMARY ACADEMY

Mrs Smith, the head teacher at both Easington and Patrington CE Primary Academies, retires this summer. Easington Primary Academy will separate from Patrington as both schools move into Ebor multi-academy trust, which has a hub based around this area of East Riding. This means that both schools will have their own head teacher. Easington's Head of School will be Mr Paul Goodwin who has been working at the school for three days a week, getting to know the pupils. Easington will retain its CE foundation and links with All Saints' Church. Numbers of pupils at the school are fairly static and the school will continue with 2 teaching groups and three teachers, which includes Mr Goodwin. Staff have already attended some training in readiness for the coming academic year. The new academic year begins for pupils on Tuesday 5th September.

Mrs. Smith

MOD

My name is Inspector Nikki Ferry and I'm the Senior Police Officer (SPO) from the Ministry of Defence Police (MDP) based here at Easington.

The MDP's primary role is to provide protection to the gas sites, but we also work in partnership with Humberside Police to help make your communities safer. I hope recently you've seen more of our officers out on patrol; engaging with you and working alongside Humberside Police, carrying out speed checks amongst other things.

Through our work with 'Farm Watch' we've been able to get a better understanding of some of your concerns and we'll continue to do that. While Humberside Police will continue to be the most appropriate place to report crime affecting you, what we'd really appreciate is your help to keep your community safe and to protect the gas sites. This is your community and no one knows it better, so your feedback is really important to us. If you think you've seen something suspicious, or something that concerns you, let us know. Speak to us, flag down a patrol, or report it directly to the police on 101 so we can help look into it. We'd like to speak to you too, so you can get to know us better, and we can continue to work in partnership to keep Easington and our surrounding neighbourhoods as safe as they can be.

If you'd like to contact me directly I'm available on 01964 650703.

EASINGTON PARISH PLAN UPDATE

Saturday 12th August (11:30 – 12:30)
Easington Community Hall.

In 2009 the parish created a Parish Plan, which included a number of recommendations.

The parish council is in the process of updating this plan, and welcomes the residents input. Copies of the recommendations are available to collect from the Hall, and on the PC website (easingtonparishcouncil.eastriding.gov.uk).

Please make your voice count.

FRIENDS OF EASINGTON CE PRIMARY ACADEMY

Our first academic year as Friends of School is coming to a close and what a year it has been. All of our events have been well supported and hugely successful. We hope to build on our experiences, try new fund raising ideas and most importantly ensure the children have as much fun as possible and know that we fully support our school.

The Friends of School team will be changing slightly in September. We say goodbye and thank you to Mr Chris Stimpson (Treasurer) and Mrs Julie Walker (AKA Honey G) and welcome Mrs Victoria Payne and Mrs Amber Richards.

On the 19th July Friends of School held our 25th Anniversary Parade and Picnic. Many of you helped celebrate this with us by dressing up in carnival wear/bright colours, singing songs around the village and parading with the children up to the Gas Terminals and back. The weather stayed dry and a picnic on the school field ended our adventure. A fabulous time was had by all and it is safe to say the children looked and sounded spectacular. In total £56.62 was collected on our walk and we are extremely grateful for your generosity. Special thanks go to the MOD for escorting the children safely, Centrica for the wonderful "treat box" and all of you, the village that lined the streets in support. Watch out for the Gazette article and photos.

Finally, I would like to remind you all that you can keep informed of all our events and news by following our Facebook group - *Friends of Easington*

CHURCH NEWS

Many thanks to all those of you involved in the grass cutting in Skeffling churchyard. It is a big help and is making a big difference.

Please visit the SKEALS exhibition currently on display in All Saints church. There is confirmation service at St Augustine's Church, Hedon on October 15th at 6 pm. Anyone interested in finding out about confirmation please ask. This is mainly for adults, as you have to get there on your own. We will be starting a group for younger children (aged around ten years) shortly and there are already a few interested. During the summer months there are regular concerts/ musical events at St Patrick's in Patrington. These are free events with a plate for donations at the end. Lifts are usually available if you wish to go and need transport.

SKEALS

The opening of our current Exhibition 'The Past Revisited' was very successful with many visitors attending. Alec Gill is a good friend of our Group and was very pleased to open the exhibition.

Don't forget you can visit the Church at anytime between 10am-4pm daily until 3rd September and refreshments are available on a Sunday 1-4pm. We are extending the timing for photographs to be submitted for the Calendar to the end of August and Di will be pleased to receive your entries on the subject of 'Weather'.

New members are always welcome –our next meeting will be held on 19th September in the Community Hall meeting room.

SPURN NATIONAL NATURE RESERVE UPDATE.

We are well into our busy season at Spurn. The Safaris are very popular. Highlights of recent trips include regular sightings of Roe Deer, dozens of seals, porpoises at the Point, Pyramidal Orchids and so many insects. We are coming into the change season already here at Spurn when birds and insects begin to move through from their breeding grounds to the north on migration. Soon bird numbers will increase dramatically. It becomes a magnet for keen naturalists and people who just love the outdoors. We have bike hire at Spurn and there is nothing stopping people bringing their own bikes. A steady walk on a sunny day is a real tonic too. The lighthouse is open from 12.00 noon to 4.00 pm on Friday, Saturday and Sunday. It is run by volunteers and we are always looking for new volunteers to help.

There are lots of changes going on at Spurn this year with the new Discovery Centre being constructed but we are very much open to the public. The Blue Bell Café is open seven days a week and is a great place to fuel up before or after a walk along the reserve. We currently have a Poet in Residence on Spurn, Robin Horspool, and there are some inspirational poems being produced by visitors and Robin. We will be exhibiting these later in the summer. To find out what is going on visit our website at

SKEFFLING NEWS

Things have really quietened down in Skeffling this year due to everyone's busy lives. However we are hoping to hold a Music Night sometime in October with the Pub Lads & Friends, it will be the usual Bring your own Booze and nibbles. Bonfire Night this year will be held on Saturday 4th November and the Christmas Fayre in aid of St. Helens Church is likely to be 11th or 18th November with all the usual stalls and of course the Bacon Sandwiches.
