Councillor Dr Haris P Livas-Dawes 1936-2019

When Haris moved to Easington she immersed herself with village life, joining various committees as well as a councillor on the Parish Council, where she worked on the Parish Plan, SHAPE, helped instigate a parish surgery at the coffee mornings and worked with the Withernsea and District Health Forum, fighting for services in the village. Along with this, both Haris and her husband Malcolm helped at the Church afternoon Teas.

One particular feat of dogged determination took place when the Village Post Office closed. Haris was instrumental in bringing back a part-time service to the Community Hall on a weekly basis. Her perseverance on this enables the residents to undertake the basic functions again in a central point.

Haris was a colourful character, whose sometimes-eccentric attire brightened up any occasion; she will be remembered fondly and missed by her friends, colleagues and the parish as a whole.

Our condolences to Malcolm.

FRIENDS OF EASINGTON CE SCHOOL PRIMARY ACADEMY

Since our last article we have been busy raising money through our Easter Events. We held an Easter Disco and raffled four Giant Easter Eggs in various locations. In total we managed to raise a staggering £357.58. Thank you to everyone who attended the disco and bought an Easter Egg raffle ticket. Easter Bunny made his annual appearance at the school (much to the children's delight) and brought each of them an Easter Egg. Our charity year is coming to a close for 2018-2019. The AGM date will be set for July and posted on our Facebook page. If anyone is interested in joining the FOS team 2019-2020 please contact the school and leave your details.

In the meantime we will support the school with Sports Day and any other events between now and the end of the Summer Term.
