## FRIENDS OF EASINGTON CE PRIMARY ACADEMY

We continue to be limited on the fund raising events we can host within the school, so our efforts are on spending funds we have already raised and applying for grants.

Purchases are being made by the school for additional outdoor play equipment for the children. We thank Perenco and Asda Bilton for their huge support with this.

I know it is hard for everyone to raise funds, but you can all help us for free if you would just register with EasyFundraising and/or AmazonSmile. Please use this link or contact the school for additional information. It really does make a huge difference to us.

Stay safe everyone and hopefully soon we will have events to report that you can all attend.

## CHURCH NEWS

Following the departure this month of Rev Faulkner from Withernsea, to take up a post elsewhere, there are now only two full time clergy working throughout South Holderness for the time being. They will be assisted by Rev Janice Sharp and Rev Philip West, our retired clergy.

Every Sunday there will be one communion service in each of the four benefices (groups of churches around Hedon, Withernsea, Burstwick and Patrington) and these will be posted on the South Holderness Deanery Facebook page. We will also try to get copies of The Edge (our benefice magazine) out to regular church goers to ensure people are up to date with the arrangements.

So in February there will be a communion service at All Saints on 6th Feb at 9.30 am then on 20th Feb a lay-led Morning Prayer service will take place which will be the family take away breakfast service.

We do still meet on a weekly basis, however, and this meeting is an informal discussion group around a bible reading with a time of silent prayer. At the moment this is at 5, South Churchside whilst the weather is cold.

Every Friday we operate FareShare - a discounted food service which prevents waste and helps budgets- and this is from 11.30 am onwards. There is a hospitality facility included in this. We welcome and encourage stalls of home made goods or items, with a free pitch, and we are looking for volunteers to extend our service with good quality second hand clothes and goods. We offer training in Food Hygiene for volunteers, either in catering or retail.

Lois Rutter, Church Warden

## **SPURN BIRD OBSERVATORY**

As we slowly shed winter's grip, we're looking forward to the spring here at Spurn. Once again we hope to run our regular guided walk programme and man the info hub at weekends - please check the website for more info over the coming weeks.

On Saturday 19th February, we are teaming up with the Yorkshire Wildlife Trust for a volunteer work party day down the Peninsula, disassembling parts of the

Point's Heligoland trap, ready for a new build at some point in the future. All are welcome and should email [spurnbirdobs.jonnie@gmail.com](mailto:spurnbirdobs.jonnie@gmail.com) if you'd like to take part - we supply sandwiches and refreshments and free accommodation is offered at Spurn Bird Observatory for volunteers.

One event we are excited to be hosting is the finish line for the Great North Dove Run on 26th March. As our Turtle Doves return early in the spring, birdwatchers Jonny Rankin and Robin Sandham are embarking on their own migration - on foot - between Dalby Forest and Spurn Bird Observatory, connecting the Turtle Dove's Yorkshire breeding grounds with this famous migration watchpoint. Everything raised will go straight to fund the Champions of the Flyway's projects to save Turtle Doves as they battle their way back into Europe! Read their story, and help them reach their target, here: <https://www.justgiving.com/fundraising/greatnorthdoverun> And maybe you could come and cheer them on at the finish line in Kilnsea on 26th March.
