Dear Resident,

Text Messaging Service

Easington Parish Council in partnership with Centrica Storage Limited, Gassco AS-UK and Perenco UK Limited, together with assistance from Mercury Group Limited are in the process of setting up a 'Text Messaging' service for communication to all residents.

This followed concerns being raised in the Community regarding incidents and alarms at the Gas Sites, mainly because residents were unsure what was happening and if there would be any danger in the local area.

The Parish Council understood why the community were concerned and raised this issue with the Gas Companies, and we are currently working on a '**Text Messaging**' service which we hope will be operational as from July 2022.

In order for us to reach you we need you to '**opt in**' to the Text Messaging Service by providing us with your mobile phone no, if you do not have a mobile your landline number can be used. Under the system being adopted you can also '**opt out**' of the service at any time. This is a 'Free' service.

Please provide your details on the slip below and return by 26/5/2022 to:

Kim Dalton - Clerk
Easington Parish Council – Holmleigh Hull Road Easington HU12 0TE
